“People don't buy what you do;  
they buy why you do it. And what  
you do simply proves what you  
believe”

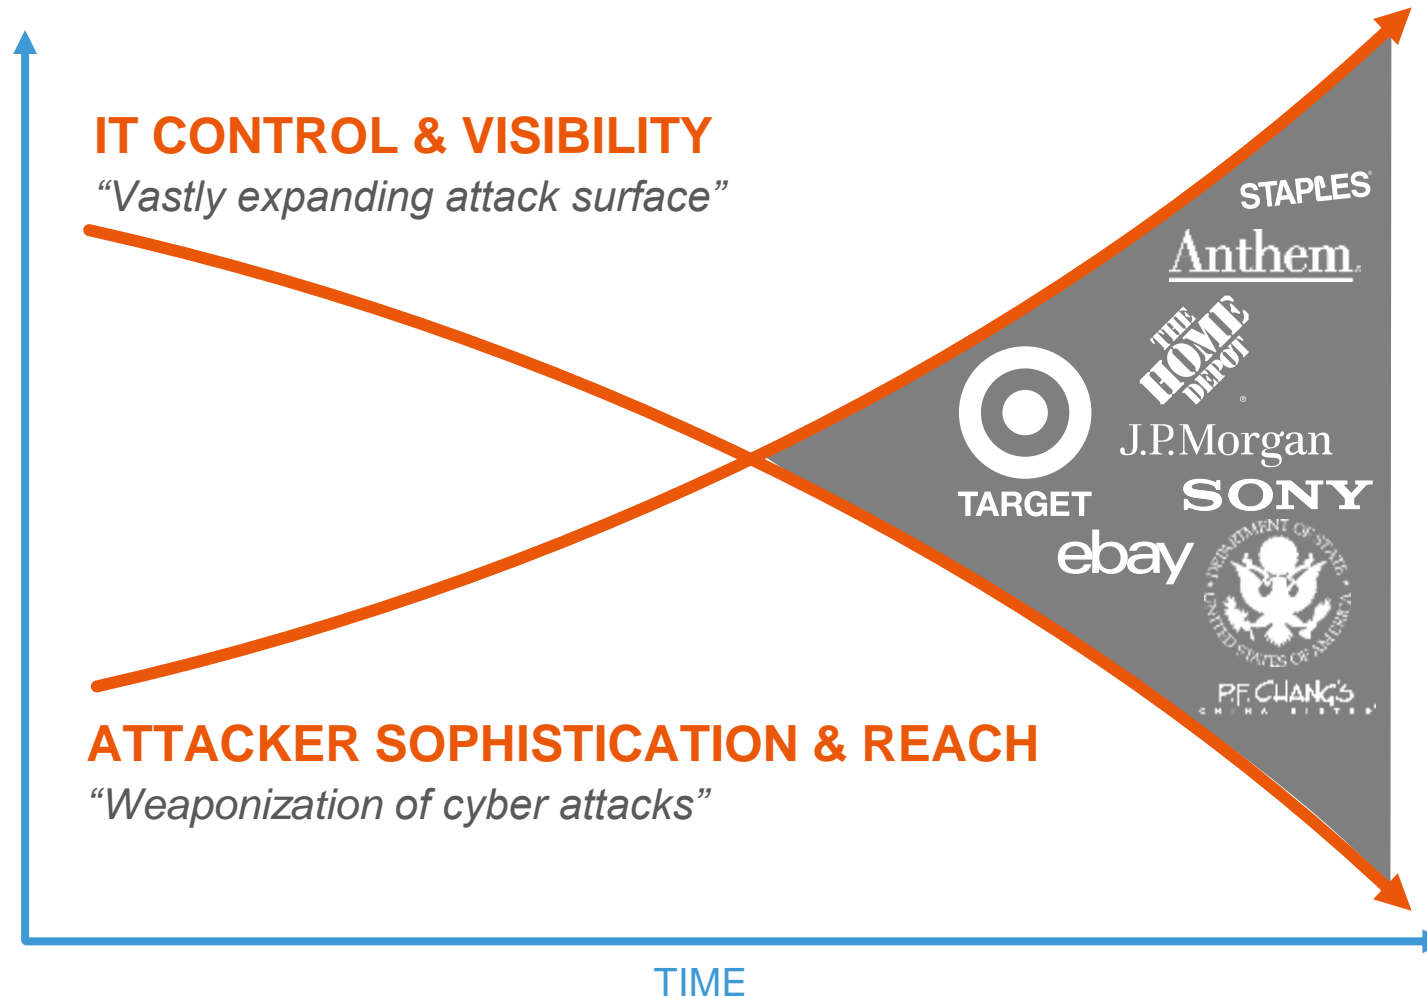

— Simon Sinek

START WITH WHY

***We Are Radical Problem  
Solvers***

# Our Customers' Challenge

# Effective Security

expensive to compromise in terms of  
**time, resources, and opportunity**

# How Rapid7 Helps Our Customers Succeed

## Reduce Vulnerabilities & Exposures

### THREAT EXPOSURE MANAGEMENT

Manage your risk by identifying where you are vulnerable to an attack. Systematically reduce our exposure, based on threats and priorities to your organization.

## Find & Stop Attacks

### INCIDENT DETECTION & RESPONSE

From the endpoint to the cloud, quickly find intruders, trace their tracks, and stop the breach before the damage is done.

## Accelerate Security Improvement

### SECURITY ADVISORY SERVICES

Increase confidence in your security with access to trusted security expertise, data-driven analysis and industry knowledge. Let us help you build a roadmap for your IT security needs.

*Commit to the How*

# Our Core Values

# Customer Partnership: The Secret to Our Success

# First, It's All About the People & Culture

**Are you hiring the right individuals?**

**Are you creating an environment in which they can thrive?**

# Rewrite the Rules

Create a business that's more about the **CUSTOMER** than it is about **SALES & MARKETING**

# Second, It's About the Focus

ROI

Renewal

Revenue

Your Success & Growth Depends on the Customer's Success

# ROI – Not Ours; The Customers!

- How can we help our customers maximize the return on their investment?
- Remember – there are two elements to ROI; the cost and the return
- Minimize customer effort and deliver tangible benefit

# Deliver Education and Value

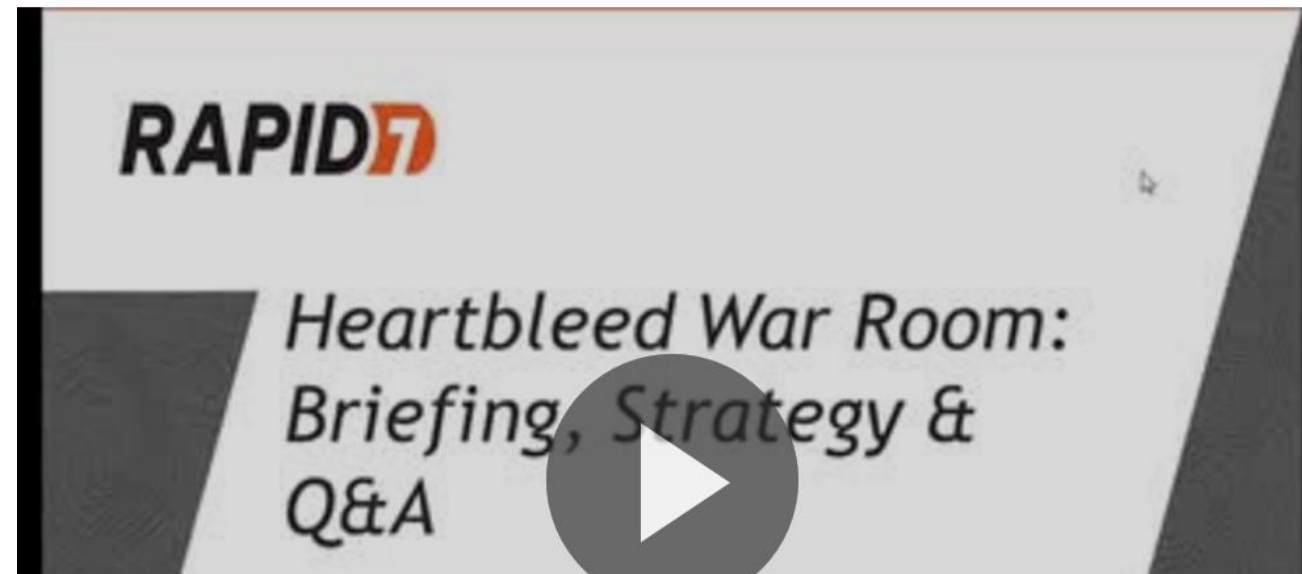

## Stop the Heartbleed: Protecting Yourself from OpenSSL

A resource guide to help you learn more and protect your organization

Still wondering if you are affected by the OpenSSL Heartbleed vulnerability? We have compiled a list of resources to help you learn more about Heartbleed and tools to help you investigate how this impacts your environment.

**RAPID7**

# Listen, Engage, Act

I just wanted to give you a heads up that influitive came in pretty handy when we were planning on rolling out a potentially controversial new feature. I was concerned about the impact to existing customers and so I did a quick poll on influitive. I consolidated the results and then discussed with engineering and product, and based on the feedback we adjusted our course and are rolling out what I believe is a better product as a result. What a great way to get quick feedback from customers!
